PROFESSIONAL SUMMARY

PRINCE2 with Six Sigma Black Belt; Project and Energy Lead; PGDPM; B.Tech Electrical; 18+ years across projects, maintenance, OpEx, plant upkeep, and energy saving. Experience spans steel, cement, and food manufacturing. Directed and supported multi-crore capex initiatives. Core principles: Integrity, Commitment, Passion, Teamwork, Speed.

EXPERIENCE

AGM – Projects (Site Delivery)

Subarnarekha Agro Foods Pvt. Ltd.

Period: Sep'19 – Till date Location : Adityapur, Jamshedpur

- Led design for 39kton food plant in Gamharia, Value: ₹ 265 Cr
- Directed 4kton extrusion line at Adityapur, Value: ₹ 9 Cr
- Managed Hammer Mill, Packer, roofing, fire alarm and more, Value: ₹ 650 lakh
- Oversaw LPG system (75T, 468kg/hr.) for boiler, civil works (₹ 4.8 Cr), rooftop solar design (₹ 8.2 Cr), and atta line (₹ 4.9 Cr)
- Ran pavement jobs, fuel automation and more (₹ 4.9 Cr), PFD line design, and madua (ragi) flour line
- Delivered 1,36,735 litres soya oil tank and transfer system, plus plant upgrades (₹ 4.9 Cr)
- Steered cross-team delivery end-to-end, meeting quality, budget, and timeline in a matrix setup.

Manager – Maintenance (E&I)

Subarnarekha Agro Foods

Period: Jul'17 – Sep'19 Location: Adityapur, Jamshedpur

- Raised plant availability from 84% to 92%
- Cut downtime by 8%.
- Boosted capacity 30% in 2 years with zero CAPEX via OpEx.
- Lowered energy spend 74% and saved ₹ 36 crore in 2 years through efficiency, OpEx, kaizen, and select investments

Plant Engr – E&I

JK Lakshmi Cement Ltd

Period: June 2014 – June 2017 Location: Durg, Chhattisgarh

- Headed E&I for install and start-up of 2.7 MTPA integrated cement plant from mine, crusher, raw mill, kiln, cement mill, packing, utilities (Substation 132Kv, compressor, chilled water/management, coal handling), E&I scope: ₹ 210 Cr.
- Completed plant ramp-up successfully.
- Created WIs, JHAs, and maintenance plans for I&C.
- Launched safety programs, JSA, LOTO, and electrical standards.

Deputy Manager (E&I)

Lafarge India Pvt. Ltd. – Sonadih Cement Plant

Period: Jan 2013 – May 2014 Location: Raipur

- Built WIs, JHAs, and I&C maintenance plans.
- Streamlined spares inventory.
- Cut breakdowns by 19%
- Conducted a successful BEE energy audit.

Sr Engineer – Electrical

UltraTech Cement Ltd. (Aditya Birla Group)
Period: Feb 2008 - Dec 2012 Location: Chandrapur, Maharashtra

- Directed E&I install and start-up of 9 cement rail wagon loaders, truck loaders, and packers.
- Led E&I installation in 31MW CPP, switchgear (160KV/6.6KV, 24.2 MVA & 7.5Kv/415V, 13MVA)
- Implemented WCM, IEC, EHS, NFPA 70Es and administered SAP- PM/PS.
- Reduced SEC from 2.0kwh/ton to 0.9kwh/ton over 3 years.
- Shrank section downtime from 1722 to 166 hours in 3 years.

Electrical Engr

Kolhan Cables & Conductors Pvt. Ltd.
Period: September 2007 – January 2008 Location: Adityapur, Jharkhand

- Launched focused improvement
- Deployed a maintenance system for EOT cranes, motors, panels, and cold-drawn ACSR equipment

Graduate Trainee (Electrical)

Tata Steel Limited
Period: August 2006 – August 2007 Location: Jamshedpur, India

- Helped cut breakdowns by 2% in 11 months by improving care of motors, panels, VFDs, and PLCs
- Supported E&I install and start-up of the CRM pickling line and 33kV grid feeders
- Started continual improvement projects in the domain.

SKILLS

Lean manufacturing | Delivery frameworks (Waterfall, Spiral, Evolutionary, Agile, Hybrid) | End-to-end project lifecycle from concept, design, contracts, build, start-up and handover | Agreement drafting | Contract oversight, familiar with FIDIC contracts | Tool proficiency (Office 365 etc.) | Knowledge and understanding of use of AutoCAD and Revit software, BIM | Mentor leadership | Liaising | Org savvy | Flexibility | Dispute resolution | Matrix management | Analytics, Spend control | Prioritising | Issue solving | Knowledge and understanding of Civil basic Building design and Structural analysis, Cost estimation, HVAC design | Engineering knowledge of mechanics, power, controls, automation, process automation | Regulatory liaison | Vendor negotiations | HSE management | Reliability management | Team leading | System rollout | Energy strategy & EHS | Analytics | Process mapping | Lean improvement | Project plan | Solution build | Benchmarking | Debugging | Teamwork | Forecasts | Diagnosis | Review | Openness | Logic | EQ | Creative thinking | Deep listening | Providing useful feedback | Presenting | Body language | Project docs | Project outcomes | Strategic mindset | Trust building |Long-range view | Healthy debate | Power grid | Scope planning | Dispute resolution | Change control | Team staffing | Sourcing plan | Construction mgmt | Startup plans | Risk control | PFD

EDUCATION

Post-Graduation Diploma in Project Management

NICMAR, Pune (Distance Learning)
Period: July 2010 – June 2011

B.Tech in Electrical Engineering – CGPA 7.86/10

National Institute of Technology, Jamshedpur

Period: June 2002 – May 2006

CERTIFICATIONS

Siemens S7 PLC
Year: 2007

NEBOSH IGC
Year: 2009

Electrical Supervisor Licence
Year: 2012

BEE Certified Energy Manager
Year: 2013

Google Project Management Certificate
Year: 2021

PRINCE2 ID: 2918411
Year: 2022

Six Sigma Black Belt
Year: 2023
